Version 6.0 of this book was published by C.U.P. in September 2003. It will remain viewable on-screen on the above website, in postscript, djvu, and pdf formats.

In the second printing (version 6.6) minor typos were corrected, and the book design was slightly altered to modify the placement of section numbers.

In the third printing (version 7.0) minor typos were corrected, and chapter 8 was renamed ‘Dependent random variables’ (instead of ‘Correlated’).

In the fourth printing (version 7.2) minor typos were corrected.

(C.U.P. replace this page with their own page ii.)
